## DEADLINES

Applications are open from January 1st, 2025 to September 30, 2025. They may be closed without notice, as soon as the numbers defined by Hope University are reached.

Exam Entrance can be performed live or online.

Candidate has to check online the entrance exam location and date on the website [www.hopeuniversity.eu](http://www.hopeuniversity.eu). Application approval is taken into account within 72h.

Admission decisions are communicated within 15 days following a comprehensive evaluation of the application and entrance exam results.

We evaluate and admit applicants on a rolling basis, contingent on available space. Therefore, we strongly encourage you to submit your application promptly. Our selective admissions process considers professional achievements, organizational responsibilities, and the specific criteria outlined for the Hope University MBA program and the option in Finance.

## CONFIRMED REGISTRATION & PAYMENT FEES

Registration has to be confirmed within 14 days by the participant with a non refundable deposit of 1000€.

Registration is considered as confirmed after the total payment of the HOPE University 1-Year MBA program fees (7990€).

Payment facilities can be set in place with monthly payments. Each student is unique and facilities have to be discussed with the dean or the area director listed on the website.

## SCOLARSHIP PROGRAM

At HOPE University, we are committed to supporting exceptional students through our comprehensive scholarship program.

We offer two types of scholarships to recognize and reward academic excellence, professional proficiency, and entrepreneurial potential.

### 1. Merit-Based Scholarships for Professional Excellence and Entrepreneurship up to 100% of the MBA.

This scholarship is designed for outstanding candidates who demonstrate proficiency in their field, possess significant professional experience, or have a promising entrepreneurial project. We aim to nurture and support the leaders of tomorrow by providing them with the financial resources to pursue their educational goals. The scholarship can cover up to 100% of the MBA tuition, and the final award amount is at the discretion of the selection jury. There are no minimum or maximum limits on the number of scholarships awarded.

### 2. Entrance Exam Excellence Scholarships

We recognize and reward the top performers in our entrance exams and application evaluations with the following scholarships for each exam\*:

- 1st Place: Full 100% tuition discount
- 2nd Place: 50% tuition discount
- 3rd Place: 30% tuition discount

Additionally, all students who achieve a B grade or higher in their entrance exams will receive a general 10% tuition discount.

Our scholarship program is designed to make higher education accessible to talented individuals and to support them in reaching their full potential. Apply today and take the first step towards a brighter future with HOPE University.

## AMBASSADOR PROGRAM

At HOPE University, we recognize the power of effective communication and strong networks. Our Ambassador Program is designed to reward eligible students who excel in these areas with significant financial benefits.

### Ambassador Benefits : 50% off

Eligible students who demonstrate excellent communication skills and possess a robust network can receive a 50% discount on the MBA program tuition. In exchange, ambassadors will commit to the following activities:

- Event Representation: Participate in industry fairs and university salons to represent HOPE University.
- Event Participation: Attend and engage in various events organized by or for HOPE University such as entrance exam organization.
- Social Media Communication: Actively promote HOPE University through their social media channels.
- Client Acquisition: Assist in acquiring new students and promoting the university's programs.

### Additional Incentives

Ambassadors can earn additional bonuses by participating in specific initiatives and achieving set goals. These incentives are designed to reward ambassadors for their dedication and effectiveness in promoting HOPE University.

Our Ambassador Program not only helps students financially but also provides valuable experience in networking, communication, and event management. This program is a unique opportunity to gain real-world skills while pursuing your academic goals at HOPE University.

Explore the Ambassador Program and apply today to benefit from this exceptional opportunity!

# TERMS AND CONDITIONS

## MBA RULES & TERMS

### ARTICLE 1 - OBJECT - ROLE - ENGAGEMENT OF HOPE UNIVERSITY

This agreement records the HOPE University commitment to follow a set of measures for monitoring and controlling the Certification Level 7 process "Strategic Activity Manager," as double degree rewarded by 120 ECTS including:

- HOPE university International prepares candidates for the HOPE University 1-Year MBA certification.
- Hope University Implements of the entire certification process developed by EBBS BUSINESS SCHOOL, Bordeaux France.
- HOPE University's French partner named "European Bordeaux Business School" or "EBBS BUSINESS SCHOOL", registered and licenced as Private Business School in France and fully accredited by the French Ministry of Work verifies the certification conditions, and upon successful candidate evaluation and certification by the Certification Jury, awards the certificate with 120 ECTS credits for meeting the requirements of professional proficiency.

### ARTICLE 2 - MBA CONTENT & ECTS EQUIVALENCE

The "HOPE University MBA" is an equivalence of the "STRATEGIC ACTIVITY MANAGER" certification level 7 owned and hold by EBBS. Its content applies skills related to five blocks of competencies:

- Block 1: Analysis and deployment of the company's global strategy at an operational unit level. Integrate the unit into the global strategy and ensure operational coordination between General Management and stakeholders.
- Block 2: Management of operational unit activities. Develop the master activity plan in accordance with policies defined with General Management to achieve set objectives.
- Block 3: Management of digital transformation. Deploy operational techniques to lead the operational unit to the expected digital maturity.
- Block 4: Monitoring, forecasting, and public relations. Understand the environment of the action perimeter and its changes to control activities, consolidate business, and evaluate development and innovation prospects.
- Block 5: Management of people and organizations. Lead the unit's members to achieve individual and collective goals in a diverse and digitally evolving work environment.

Optional Block 6 : Advanced Finance. Ensure effective financial resource management, oversee budgeting, manage bank relations, make investment decisions, and support strategic goals.

### ARTICLE 3 - IMPLEMENTATION OF THE CERTIFICATION FRAMEWORK

#### 3.1 - ADMISSION

- Candidates must hold a Bac+3 degree or 180 ECTS credits.
- Candidates without the mentioned qualifications but with over 2 years of relevant experience can be admitted upon validation by the certifier.
- HOPE Univeristy provides the certifier with a list of candidates and their qualifications to validate the double degree eligibility before the candidate starts the certification preparation.

#### 3.2 - TEACHING STAFF

- HOPE University must meet pedagogical and competence requirements and provide EBBS BUSINESS SCHOOL with a list of teachers and their credentials before starting the preparation.

#### 3.3 - TRAINING IN ASSOCIATED KNOWLEDGE

- HOPE University International & EBBS BUSINESS SCHOOL provide the necessary pedagogical program for candidate preparation to the MBA and its equivalence.
- Hope University undergoes regular audits and quality checks by its French partner to ensure compliance with training standards during the MBA preparation. This extends to reviewing teachers' syllabi, assessments, and monitoring the progress of students' competency acquisition.
- HOPE University follows the EBBS framework and commits to adhering to this specification and by implementing a competency acquisition procedure for each candidate.

### ARTICLE 4 - EVALUATION METHODS & GRADUATION

4.1 : Ongoing & end-of-course evaluations  
HOPE University is solely responsible for conducting evaluations for the preparation of the double degree, in compliance with the mandatory framework.

- Knowledge Blocks: Associated knowledge (courses) are organized into Competency Blocks, each comprising several subjects or modules.
- Module Average: The average score for a module is composed of 1/3 from knowledge control and 2/3 from the end-of-module evaluation
  - Assessment: Each subject is graded by the trainers through end-of-module evaluations (skills assessment).
  - Knowledge Control: Trainers implement knowledge control measures.
- Scheduling: The partner schedules end-of-module evaluations at their convenience. Attendance sheets and any comments are available for verification.

#### 4.2 Final Evaluations

- Each competency block is evaluated by a case study.
- Case studies are created by the partner. The work context is submitted to Hope University for validation one month before the exam date. Otherwise, the exam may be invalidated.
- At the end of the program, candidates produce a professional thesis, which they defend before a jury.

#### 4.3 Composition of the Thesis Defense Jury

The professional thesis defense jury is composed of:

- The thesis director (who does not participate in the evaluation)
- A representative from the Pedagogical Direction of HOPE University
- 2 to 4 members chosen for their professional responsibilities.

# TERMS AND CONDITIONS

## MBA RULES & TERMS

### ARTICLE 5- CERTIFICATION JURIES - DOUBLE DEGREE

#### 5.1 - JURY & COMPLIANCE

- HOPE University submits a summary of skills evaluations for each candidate to the certifier 15 days before the certification jury date.
- The certification jury hosted by EBBS with participation of HOPE University representative, based on the provided evaluations (associated knowledge, oral examination, and attested skills), decides on awarding the certification and ECTS credits.
- If a candidate is denied the title, the certification jury issues a detailed report explaining the reasons.
- The certification juries award the "STRATEGIC ACTIVITY MANAGER" certification based on the partner's submissions and compliance with certification requirements.

#### 5.2 - ISSUANCE OF THE TITLE

- Each certification jury produces a list of certified individuals in a report signed by the jury president.
- The certifier issues the certificates containing the certified individual's name, first name, date and place of birth, the certificate issuance date, and signature spots for the jury president, the certifier's legal representative, and the certified individual. All signatures are required for the certificate to be valid.
- The certifier maintains a register of certified individuals, including their names, dates and places of birth, issuance dates, and registration numbers.

## COMMERCIAL CONTRACT RULES

### Article 1: Financial Conditions

The total tuition fee for the MBA Program is €7990. A non-refundable deposit of €1000 is required for registration confirmation and will be deducted from the total tuition fee. The remaining balance of €6990 must be paid according to the agreed schedule with the dean or the campus manager.

### Article 2: Withdrawal, Cancellation, and Refunds.

In the event of an application or registration carried out via internet, the candidate has a period of 14 clear days (1st day not included) from the registration of the contract-form by HOPE University (materialized by the receipt of an email or sending a letter confirming your registration) to exercise its right of withdrawal in application of the European Consumer Code.

If the student decides to withdraw before the start date, they must notify the university in writing. Cancellation must be communicated in writing at least 60 days before the program start date to receive a partial refund. The refund policy is as follows:

- Cancellation ≥60 days before start date: 100% refund (excluding deposit)
- Cancellation <30 days before start date: 50% refund (excluding deposit)
- No refunds once the program has started.

### Article 3: Hope University Obligations

Hope University agrees to provide the MBA Program and all associated educational materials, ensure the quality and standards of education in compliance with European regulations, and offer support and guidance throughout the duration of the MBA Program.

### Article 4: Student Obligations

The student agrees to pay the tuition fee according to the schedule outlined in Article 5, comply with the academic and behavioral standards set by Hope University, attend classes, participate actively in all academic activities, and ensure all submitted work is original and free from plagiarism.

**Article 5: Academic Integrity** The student must adhere to Hope University's academic integrity policies, particularly regarding plagiarism. Any work submitted must be the student's original work. If plagiarism is detected, the student may face disciplinary actions, which could include dismissal from the program without reimbursement.

### Article 6: Evaluations and Certification.

To earn the Hope University MBA & the "Manager Stratégique d'activités certificate Level 7 certified by EBBS, the student must earn a grade of Pass for each block of competencies, complete the Capstone Assignment in required courses. Grades will be based on quizzes, final exam scores, and participation. Components include the final exam (67%), module quiz average (33%), and participation quality will be taken into account. Adherence to deadlines affects overall grades and credits eligibility.

### Article 7: Termination

Hope University may terminate this contract by if the student fails to meet the financial or academic obligations.

### Article 8: Dispute Resolution

Any disputes arising from this contract will be resolved through mediation. If mediation fails, the dispute will be settled by the competent courts in Bordeaux, France.

### Article 9: Miscellaneous This contract is governed by the laws of France.

**Disability Accommodations** Hope University welcomes participants of all backgrounds and abilities.

Under the French disabilities policy, a person is considered to have a disability if that individual has a physical or mental impairment that substantially limits one or more major life activities; has a record of having such an impairment; or is regarded as having such an impairment. Accommodations are adjustments providing participants with disabilities equal access to courses. They do not guarantee an outcome or level of achievement. Participants must disclose the need for accommodations by completing an Accommodations Request Form.
